

Lesson Subsidy Form

Novi High School Band Boosters

Treasurer: novibandtreasurer@gmail.com

The Novi Band Boosters are proud sponsors of the Lesson Subsidy Program. Taking private lessons is one of the many ways to improve personal performance, and in turn, enrich the total Band Program. Overall, the Band improves through the efforts of every individual band student. Like a chain, the Band is only as strong as the weakest link. The subsidy works as follows:

1. A \$3.00 reimbursement (as of July 1, 2013) is provided for each private lesson. (only one lesson per day)
2. A \$60.00 maximum amount per student per six months is accepted.
3. Only one band instrument, approved by Mr. Diroff, per student is reimbursed.
4. The private music instructor must sign the subsidy form before it is submitted.
5. Your private music instructor must be approved by Mr. Diroff.
6. The submission deadlines are June 1st and December 1st.
7. ALL completed forms must be scanned and returned to treasurer via email novibandtreasurer@gmail.com
8. **You can type in the PDF version of this form, however it does not save data.** Please “print” it as a PDF to preserve your information
